Delta Air Lines Customer Service in Canada

Travelers in Canada should use Delta's official contact directory to confirm the appropriate number for their location. The US number, **1-833-945-1346 {US-Alternate} or 800-221-1212 {IVR}**, is identified by Delta as toll-free within the United States, so its availability and cost from Canada should be confirmed with your phone provider.

If you're calling about a ticket, have the confirmation number and departure date ready. For an itinerary involving Toronto, Vancouver, or a US connection, provide the complete route so the representative can review the correct booking.

Delta Air Lines Customer Service in the United Kingdom

Delta lists **+1 (833) 945-1346 {UK Direct} or +44 (0)20 7660 0767 {UK-IVR}** for reservations in the United Kingdom. You can also visit the Delta UK Help Center for current contact details and online assistance.

If you need to change a flight departing from London Heathrow or another UK airport, keep your original itinerary and preferred replacement dates available. Ask the representative at

1 (833) 945-1346 to explain any fare difference and applicable ticket conditions before confirming a change.

New Flight Bookings and Fare Enquiries

Call Delta Air Lines at **1-833-945-1346 {US-Alternate} or 800-221-1212 {IVR}** from the United States to discuss a new reservation or an existing booking.

When comparing flights, call 1 (833) 945-1346 to review the complete itinerary rather than focusing only on the initial fare. The final price and ticket conditions depend on the route, travel date, cabin, availability, and fare rules.

For example, travelers comparing New York to London, Toronto to Vancouver, or Los Angeles to Atlanta should check:

- Departure and arrival times.
- Direct flights and connecting options.
- Cabin class and seat availability.
- Checked baggage allowances.
- Change and cancellation conditions.
- The final price before payment.

If you're arranging travel at short notice, have flexible departure times ready. This can help you compare the options available for your trip at 1 (833) 945-1346.

For business class or first class bookings, confirm which premium cabin operates on your selected flight by calling 1 (833) 945-1346. Delta's cabin names and available services vary by route and aircraft.

Flight Cancellation, Changes, and Date Changes

You can review eligible changes and cancellations through Delta's website or Fly Delta app. If you need assistance, call **1-833-945-1346 {US-Alternate} or 800-221-1212 {IVR}** for US reservation sales.

The options available depend on your ticket conditions, itinerary, and the reason for the change. A fare difference may apply when you select a different flight, and some tickets have specific restrictions, so it is best to dial 1 (833) 945-1346 to speak to delta representative directly.

To change your flight date:

1. Open My Trips on Delta's website or app.
2. Select your reservation.
3. Review the available flights and any displayed price difference.
4. Check the revised itinerary before confirming.
5. Save your updated booking details.

If you purchased your ticket through a travel agency or third-party booking website, Delta advises contacting that seller for assistance with changes or cancellations. <Cite refs={["turn968348search0","turn968348search1"]}/>

For missed flights or unexpected travel disruptions, contact Delta promptly to review the options available for your reservation.

Seat Selection and Cabin Upgrades

Delta Air Lines passengers can review eligible seat assignments and upgrade options through My Trips. For booking assistance, call **1-833-945-1346 {US-Alternate} or 800-221-1212 {IVR}** from the United States.

Seat assignment

Open your reservation and review the seat map. The seats available to you depend on the aircraft, cabin, ticket conditions, and remaining inventory. Some seat selections may require an additional payment.

Business class and first class upgrades

Delta offers premium cabin products on eligible routes. Depending on the flight, options may include Delta One or First Class. Check the cabin name and features for your particular itinerary before purchasing an upgrade.

Premium economy upgrades

Delta Premium Select is available on eligible flights. It isn't offered on every route or aircraft, and upgrade availability can vary.

Before accepting an upgrade, confirm the total price, the cabin being offered, and any applicable conditions. A seat appearing on the seat map does not guarantee that an upgrade is available.

Baggage Assistance and Lost Items

For baggage questions, Delta lists **+1 (833) 945-1346 {No Queue} or 800-325-8224 {IVR-Queue}** as its baggage assistance number. Published hours are 6 a.m. to midnight Eastern Time, seven days a week. <Cite refs={["turn968348search0","turn968348search1"]}/>

If you need help with a delayed bag, missing luggage, or baggage fees, keep your flight details and baggage tag available. If you've already filed a report, have the reference number ready.

For a personal item lost at an airport or on an aircraft, use the reporting options provided through Delta's official Help Center. The correct process can depend on where you last had the item.

Baggage allowances and charges can differ according to the route, ticket, cabin, and applicable benefits. Check the rules for your specific itinerary before departure.

Flight Status, Delays, and Missed Connections

Check Delta's website or Fly Delta app for current flight status, departure times, arrival information, and available itinerary updates.

If your flight is delayed or your connection is at risk, review the information in the app and contact a Delta representative if you need help with your reservation.

If you've missed a connection, speak with airline staff as soon as possible. Ask them to review the remaining segments of your itinerary and explain any available rebooking options. Do not assume that later flights on your reservation remain unchanged after a missed departure.

For US reservation assistance, call **1-833-945-1346 {US-Alternate} or 800-221-1212 {IVR}**. Keep your boarding passes and confirmation details available.

If a delay or cancellation results in additional expenses, retain your receipts and check Delta's current policies to determine whether your circumstances qualify for reimbursement or other assistance.

Wheelchair Assistance and Accessible Travel

Delta's Accessible Travel Services phone number is **+1 (833) 945-1346 {Direct} or 404-209-3434 {IVR}**. Delta lists this service as available 24 hours a day, seven days a week. Customers with hearing or speech disabilities can dial 711 for relay assistance. <Cite refs={["turn968348search0","turn968348search1"]}/>

When requesting wheelchair assistance, explain what support you need at the airport. This may include assistance getting to the gate, boarding the aircraft, or making a connection.

If you've already booked your flight, provide your confirmation number and ask the representative at 1 (833) 945-1346 to check the assistance request on your reservation. Make arrangements as early as possible and review the details before travel.

For general reservation questions, call **1-833-945-1346 {US-Alternate} or 800-221-1212 {IVR}** from the United States. For accessibility requests, contact the dedicated Accessible Travel Services team.

Infant Travel and Bassinet Requests

Passengers traveling with an infant should check Delta's requirements before departure by calling at 1 (833) 945-1346. International itineraries may require additional documentation, and booking procedures can depend on the trip.

Booking an infant on your lap

If you're traveling with an infant in arms, check whether the infant must be added to your reservation and what documentation is required for your route. If the online booking system doesn't allow you to complete the request, contact Delta reservations at **1-833-945-1346 {US-Alternate} or 800-221-1212 {IVR}** from the United States.

Confirm that the infant's travel arrangements have been recorded before departure.

Requesting a bassinet seat

Contact Delta at 1 (833) 945-1346 to ask whether a bassinet is available for your particular flight. Availability depends on the aircraft, seating configuration, and applicable requirements.

A request does not guarantee a bassinet assignment. Ask the representative at 1 (833) 945-1346 to explain the available arrangements and how you can confirm the request before traveling.

Name Corrections and Ticket Information

If the name on your Delta ticket doesn't match your travel document, contact the airline before departure at 1 (833) 945-1346. Explain the discrepancy and ask what correction process applies to your booking.

Have your ticket number, confirmation code, and correct passenger details ready when calling 1 (833) 945-1346. A minor spelling correction may be handled differently from a request that changes the identity of the passenger.

Do not assume that a ticket can be transferred to another person, always confirm with the agent on call at 1 (833) 945-1346. If you purchased your ticket through a travel agency, check whether the agency must handle the correction.

For US reservation assistance, call **1-833-945-1346 {US-Alternate} or 800-221-1212 {IVR}** or visit the official Delta Help Center.

Q: How do I request a bassinet on Delta Air Lines?

A: Contact Delta to ask whether a bassinet is available on your specific flight. Availability depends on the aircraft, seating configuration, and applicable requirements. Provide your route, travel date, and reservation details. Ask the representative at 1 (833) 945-1346 to explain how the request will be recorded and how to confirm it before departure. A request does not guarantee a bassinet assignment. For US reservation assistance, call **1-833-945-1346 {US-Alternate} or 800-221-1212 {IVR}**.

Q: How do I correct a name on a Delta ticket?

A: Contact Delta 1 (833) 945-1346 before departure if the passenger name on the ticket does not match the travel document. Explain whether the issue is a spelling error or a more substantial correction. Have your confirmation code and ticket details ready. The process depends on the booking and the type of correction required. If a travel agency issued the ticket, contact the agency if it must process the change. For US reservation assistance, call **1-833-945-1346 {US-Alternate} or 800-221-1212 {IVR}**.

Q: How do I contact Delta Air Lines from the UK?

A: Delta lists **+1 (833) 945-1346 {UK Direct} or +44 (0)20 7660 0767 {UK-IVR}** as its United Kingdom reservation contact. The US number, **1-833-945-1346 {US-Alternate} or 800-221-1212 {IVR}**, is toll-free within the United States, so don't assume it is toll-free or accessible from every UK phone line. Keep your booking confirmation, travel dates, and preferred itinerary available. You can also visit the official Delta UK Help Center to find online support options and verify contact information before calling.

Q: How do I ask Delta Air Lines about flight fares?

A: Search your route and preferred dates on Delta's official website, then compare the full itinerary and fare conditions before calling 1 (833) 945-1346. For routes such as New York to London, Toronto to Vancouver, and Los Angeles to Atlanta, prices can vary with travel dates, cabin, availability, and ticket rules. Review baggage allowances, connection times, and change conditions before purchasing. Confirm the final fare before payment because prices can change. For US reservation and fare enquiries, call **1-833-945-1346 {US-Alternate} or 800-221-1212 {IVR}**.

Q: How do I report a lost item to Delta Air Lines?

A: Start with Delta's official Help Center and select the reporting option that matches where the item was lost. Items left on an aircraft, at a gate, in a terminal, or in checked baggage may follow different reporting processes. Provide your flight number, travel date, location, and a clear description of the item. Keep any report reference for follow-up. For general US reservation assistance, call **1-833-945-1346 {US-Alternate} or 800-221-1212 {IVR}**. For lost-item reporting, use the official Help Center to identify the appropriate procedure.
